

WE'VE BEEN CHALLENGED!

The ILRC's Board of Directors is ready to match every donation received from the 2017 Burton Awards up to \$35,000.

That one-to-one match will double your gift and help us go twice as far in protecting and advancing the rights of immigrants.

Together we will Keep Moving Forward!

Remember, this match applies to donations only--not sponsorship, ads or tickets. You can use the same reply card to make an extra gift today.

Thank you for your generosity!
