Thank you for contacting the Immigrant Legal Resource Center. The ILRC’s main focus is to educate and assist attorneys and legal advocates in their work to help immigrants. Unfortunately, although our organization’s main goal is to work for equal access to fair and just laws, we do not directly represent clients and we are not able to provide individual legal consultation. Our publications are targeted for new and experienced practitioners, whether working in private practice or at nonprofit organizations. Our publications are not for sell to the general public. Thank you again for your understanding.
